

Predictive Index® Behavioral Assessment

Optimize Talent & Create Winning Teams

Would you benefit from better understanding, engaging, and coaching the behaviors and interactions of others? Could the teams you lead benefit from understanding their natural behaviors as well as those of others to enhance their performance as a team? As a CEO and leader, I know how challenging it can be to align resources and manage a collaborative team culture day in and day out. I've used the Predictive Index® (PI) Behavioral Assessment to guide this process. As a certified Predictive Index® (PI) facilitator, I utilize the PI method to help you explore key behaviors of individuals and teams; to aid you in engaging all team members; and to assist you to more effectively design and manage high-performing teams.

The following are the various available options.

- Basic Service includes:
 - Each participant completes the PI Assessment (limited to how many?)
 - Individual participant reports will be generated/emailed
 - Team report will be generated/emailed
 - 1-hour overview / highlights call with Event Guide Facilitators and key client contacts
 - Fee - \$500
- Add-on Services:
 - Individual assessment review and consultation
 - Provide each participant a 1:1, 1-hour consultation of their PI results and how to use them going forward
 - Fee - \$100 per individual review by Zoom
 - Continued PI Coaching
 - Topics to be determined but could consist of any of the following:
 - Further exploration and discussion on individuals and/or the team's behavior profile
 - Refresher for key client contacts on the PI and Team behaviors
 - Exploring specific challenges/obstacles being face and how to use PI to navigate them with the team
 - Fee - \$150/hour

I look forward to working with you to leverage PI to navigate the human behaviors and set you and your team up for success.
